Gloria Mitchell
Senior Year.

Gloria,

Well, we finally made it!
I really do hate to leave old
H.S.S. We've been the best
of friends ever since the
eighth grade and it'll sure
seem funny not to see each
other every day.

Remember when we played
tennis? and our little games
of baseball with the boys.
I sure had alot of crushes —
but so did you! David
Carbin is one crush I'll never
gt over.

We've had alot of good
times together, especially this
year at the lunch table.

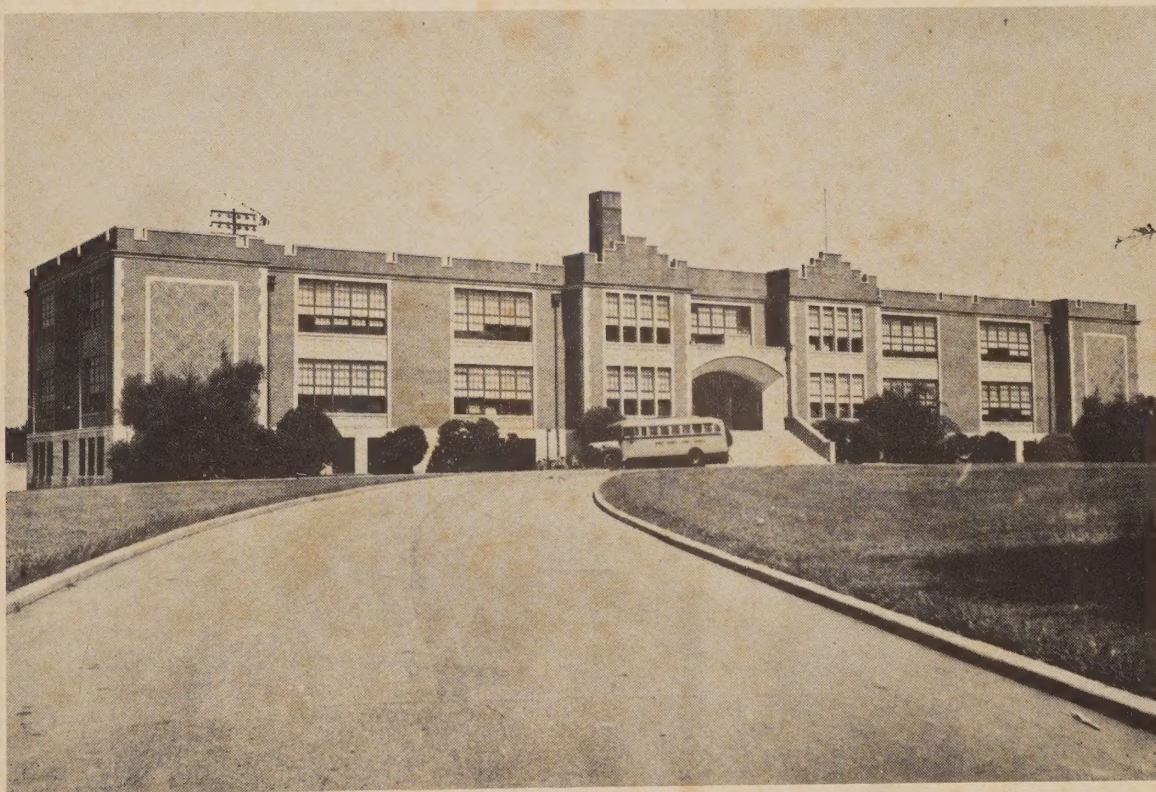

"Mitch" you're one of the
sweetest, dearest friends I
have and ever expect to have —
if I write any more I'll cry.

Love always
to a wonderful
friend,

Betty Ann
G.H.C.

interesting work

...and you can get it!

Telephone work is interesting — and you don't need experience to get a good job after graduation!

That's one reason why so many girls head for the telephone company when they finish school. They know they'll earn good money from the start, even while they're trained, and get raises regularly.

Your high school counselor can tell you more about the many different telephone jobs — or come in and see us when you finish school!

Dear Gloria
I want to wish you
and lovely girl. and hope you wait.
forget me when you leave. I still remember
the good times we had at minstrel parties when
you would go out into the halls and smooch with
some boys. and uncle would call for you and you wait
there. I guess your still a good egg but only when your
asleep. I guess I'll have to be good until next football season. and
you had better come to the football games to see its going to be good for
you. But putting all kidding aside I want to wish you the best of luck in all
your undertakes. and I know that you'll succeed. and you love all my wishes for a
wonderful future. well I guess that's about all I can think of to write. So goodbye for now.

Love Always

Dear Gloria,

May 29, 1963

Well, Gls, we're finally leaving this "dear" old place!!! I didn't think I was, but I am (I hope!!!) It's really ^{fun} lots of fun being with you in school, remember in Mrs Warnings' home room, that was the year!!!

Remember the sixth grade & on up, I'm glad I'm leaving, but in a way I'm sorry. I think the thing I'm going to miss is being with you and all the other classmates. I'll never forget dear old Choir class & how we struggled with the second sopranos & getting into the big choir, we finally made it!!! All the gossip that we told & sometimes wasn't really true, the disagreements we had, and the slow, (Turtle) walks home (still gossiping!!!) There are many more memories to write, but space wouldn't permit, but I'll never forget them. That's one thing that can never be taken away from you!!!

Well, Gloria, you & the staff have made up a wonderful year book & you worked hard, you always were a hard worker. This doesn't mean goodbye' cause I'll be

seeing you all summer.

I'll repeat myself again. I think you are of the sweetest girl I know and it's been wonderful knowing & going to school with you. I only hope that our friendship won't end with this year!!

Oh, I forgot the operetta, the dance we were going to do, but didn't!!! All the work you did on the costumes, they're still cute as heck!! Don't forget our struggles in English (Beane & Burch) they were really struggles, but we passed them (so far!!!)

Remember last year when we were both going to write in each other's books? Well, I'm making for it, now!!!

Well, "stinkie", I really must end this and leave some space for someone else!!! Don't forget me & all the memories at N. H. S.!!!!
I really do wish you the best of everything. one of these days you'll be a great designer!!!! (designer)

Again I'll say I'm going to close & really am this time. Be good & stay sweet. Don't forget me.

Love you,

Rachel N.

Dear Slim,

I really don't know what to say to such a cute little gal, but if you were real ugly I could tell you plenty.

Now if that didn't ~~take~~ take brains to write such a splendid sentence, I don't know what did. The only trouble in it doesn't make sense. I really think a lot of you. No kidding. In the short while I know you I grown to like you very much and believe me, I'm going to miss you a lot around W.H.S. next year. I'm sure you will succeed in any field you choose. Best of luck in everything to one of my dearest friends
